The mentoring relationship requires trust and confidentiality. The Mentee may grant limited exceptions.

Are you interested in... (Circle/select Y/N)

- | | | |
|------------------------------------|-----|----|
| a) Individual mentoring? | Yes | No |
| b) Group activities for mentoring? | Yes | No |

Please indicate areas of knowledge or interest where you feel you would like guidance or support as a junior faculty.
Check only 3 of the most important areas to you.

- | | |
|---|--|
| Time management—balancing classes, research, and life | Classroom management, syllabus, assignments |
| Working with superiors (division chairs, administration) and colleagues (peers, senior faculty) | Renewal, promotion, tenure processes |
| Understanding the UH system | Maintaining a research agenda |
| Navigating the unique cultural environment of Hawai'i—on and off campus | Locating funding for research and other professional development |
| Incorporating community engagement | Work/Life balance |
| | Other (indicate in text box below) |

I could work well with faculty who have scholarly or personal interests in the following:
